## Parent Portal

---

The Aransas Pass Independent School District is committed to providing parents with the information they need to help their students be successful. Our new Student Information Services vendor, Tyler Technologies, offers a comprehensive Parent Portal. Real time data will be available to help parents stay involved and aware of their child's progress. Parents will be able to view:

- **Attendance:** Check absences and make certain excuse notes have been turned in.
- **Grades:** Check six weeks grades and individual assignment grades.
- **Schedule:** View student schedule with class period and assigned teacher.
- **Demographics:** Make certain all student information such as address, phone number, and emergency contact are up to date and accurate.
  - ❖ All data is transferred over a secure internet connection
  - ❖ Parents can receive email alerts
  - ❖ Access all of your children's information from one login
  - ❖ Printer friendly reports available in PDF format

System Requirements:

- ✓ Computer with internet access
- ✓ Email address required
