

Dear Parents and Guardians,

Aransas Pass ISD is excited to offer online registration beginning the 18-19 school year. The online process will replace most paper forms and reduce the number of forms parents have to complete. Parents will now have the ability to complete all information at one time for all their students, regardless of grade level. Having a Parent Portal account is required to complete the online registration process, parent portal makes it very easy for parents to have quick access to their student's information and any notices from the school.

To begin this online process and to be compliant with the law, a parent or legal guardian for every new and returning student will need to report to A. C. Blunt Middle School on one of the dates listed below, to register their student. As per TEC 25.001, a proof of residency is required for all students, new to District and returning students each school year. Please bring current utility bill or other proof of residency to registration. If you have students in multiple grade levels, you can come one night and complete the registration process for all students, except PreKINDER (*PK registration dates are listed below.)

Registration for returning students - students who completed the 17-18 school year at APISD:

Grades K – 5 Tues. 8/7/18 3:00 – 7:00 PM

Grades 6 – 12 Weds. 8/8/18 3:00 – 7:00 PM

New to District students and any returning who missed above two dates:

Thurs. 8/9/18, 3:00 – 7:00 PM

Returning APISD students who will be in Kindergarten or 7th grade and all new to District students, please bring current immunization records.

Again Parent Portal is a necessity for the online process, if you already have a Parent Portal Account and remember your username and password nothing further needs to be done except attend one of the registration dates listed above. If you do not currently have a Parent Portal account or have forgotten your Parent Portal password or user name, please fill out the information below and return this form to Central Office before 8/7/18. Having access to Parent Portal when you register your student will speed up the process immensely. APISD will send email reminders and post reminders on the website and Facebook of the dates and times of registration.

PARENT

NAME _____ email _____

Please list each student name and campus:

- 1.
- 2.
- 3.
- 4.
- 5.

Parents of all students must complete the online process before a schedule will be issued or any teacher information will be given to the student or parent. It is very important that all online student registration be complete prior to the first day of school. Thank you in advance for your support. Any questions, please call 361-758-4200.

*Tentative PK registration – 8/14 & 15/18 4:00 to 7:00 @ Faulk Elem.
