

Aransas Pass Independent School District / Parents

Aransas Pass ISD is committed to the safety and security of students, faculty, staff and visitors in its facilities. In order to support this commitment, the School Board of Trustees has formally adopted the Standard Response Protocol developed by The “I Love U Guys” Foundation. The SRP focuses on educating APISD staff, students and parents on actions to take during different school crises to keep staff and students as safe as possible.

The District is currently using the Standard Response Protocol (SRP). All staff have been trained prior to the starting of the new school year. Students will be trained and practice drills conducted throughout the school year.

APISD urges you to look into the “I Love U Guys” Foundation by visiting: www.iloveguys.org.

If you would like to know more about the Standard Response Protocol (SRP) please contact your child's campus. You may also check the files below.
